Field Procedures

- After games are done
 - Make sure all gates are locked
 - Turn off lights (if there is an issue with the lights, do not turn them off and on again, the system is old and takes 15 – 20 minutes to get started)
- Teams can drink at the field after games, in the parking lot, however:
 - All empty beer cans/bottles need to be disposed of properly. Either take them with you, or throw them in the dumpsters (if they are full do not leave them next to them).
 - Please make sure to follow this one rule! This is the only facility we are allowed to do this at.
